To-day's Advertisements.

WOODYEAR'S MAMMOTH CIRCUS.

A SERIOUS WORD.
THE PROPRIETORS of this CIRCUS thank the Public for the kind attendance on Saturday night. Our Mammoth Tent was crowded and the audience was enthusiastic in the applause given to each and all of our artists. Our show is a success, and we shall try and deserve the patronage we receive.
A BIG SUCCESS.
BEWARE OF SLANDERERS.
Our show has been in the East for years; we have lived and have spent our money liberally in the cities where we have earned our living.
In all this time we have never found it necessary to make slanderous attacks upon rivals in our business. We don't believe in backbiting others.
"LIVE AND LET LIVE" is our motto. Besides, our show speaks for itself. A really strong Circus has no need to run down others. If it is really and truly good it will draw the public upon its merits and not by the light of other people. Our show is really good, in no way draw the public. We do not claim to be the Harum for the East. Harum in his early days was a great humbug yet with considerable merit; most of his imitators are not worthy and no merit. There is no humbug in our show.
IT IS ALL GOOD.
We don't use the name of Harum or Charini or other showmen to draw the public to our tent. We stand on our own merits and don't show by the light of other people. In the Circus business talent and not numbers count. Thirty good performers can give a better show than many "supers" and a lot of
CATTLE DRIVERS
with long hair in line of talent. The real strength of a Company is in its own merits to the public, who will not accept brazen advertisements in place of ability.
COME AND SEE US AND JUDGE FOR YOURSELVES.
We fear no honest rivals and slanderous ones we despise.
N.B.—Our artists, who have received large offers to leave us, respectfully decline. They prefer to stay with a company where they are sure of their salaries.

DAKIN'S PURE VOLATILE EUCALYPTUS OIL.
DISTILLED FROM THE LEAVES OF SELECTED SPECIES OF EUCALYPTUS.
Eucalyptus Oil has long been a famous place as a "household remedy" in Australia. When applied externally it has a powerful stimulant and soothing action; but does not blister the most sensitive skin and no application known will so quickly subdue the pain of sunburn, insect bites, &c. Taken internally in small doses, it acts as a powerful stimulant and antispasmodic, whilst its secondary action induces sleep. The penetrating agreeable vapour of the Oil is sedative, and when inhaled relieves Asthma, Bronchitis, Croup, and Whooping Cough, and will either mitigate or entirely stop an attack of Whooping Cough in its initial stage. It is also a most powerful antiseptic and germicide, being three times as effective as Carbolic Acid in preventing development of Bacteria, its use in this direction being very numerous. Dakin's specially refined Oil is sold in 2 oz. & 4 oz. bottles at 6d. and 1s. 0d.

Hongkong, January

The Directors regret to have to lay before the Shareholders such a bad account of the half-year's working. The causes which have contributed to this poor result are however now sufficiently well known to the Shareholders, and it is needless to enlarge upon them in this report.

During the half-year the *Towan* has undergone the usual annual Government survey and overhaul in dock; the *Hengshan* has also been docked and painted, and some minor repairs to the other steamers have been effected. The repairs to the

In the last report it was stated that the matters in dispute with the builders of the *Hwangshan*, had been referred to arbitration. Advice from London now render it certain that a considerable portion of the claim will be recovered, and it is expected that the account will be closed during the current half-year with little, if any, loss to the Company.

The retiring Auditors, Messrs. A. O'D. Gourdin and F. Henderson, offer themselves for re-election.

P. RYAN, Chairman.

**THE PAHANG DISTURBANCES;
FURTHER RETREAT OF THE REBELS.
MORE STOCKADES ABANDONED.
THE GINTING BELUK ROUTE TO BE
CLEARED.**

H. E. the Governor is in receipt of a telegram and a letter from Mr W. E. Maxwell giving some further information as to how things are going on in Pahang, in the neighbourhood of the disturbed district at Semantan.

Mr Maxwell telegraphs that the Sikh force under Dukan and Syers are making steady progress with the work of clearing the district. In process of doing so they have taken possession of and have demolished no fewer than five stockades, which appear to have been uniformly abandoned without resistance. The Sikhs are moving on towards Jeram, a few miles below Kuala Berau, where it was reported that the Orang Kaya's men had built another stockade. This measured advance is bound to have

They must know perfectly well that they have been turned out of several positions already, and there cannot be a great deal of satisfaction in erecting a stockade one day and to feel convinced that it has to be abandoned the next.

In another direction activity is being also shown by the Sikh Military Police. The track through the Ginting Beder towards Bentong is now also being cleared

and it is presumed that this is being done, and simultaneously by the co-operation of the advance from the Bentong side and from the Selahgar frontier. This southern route was only ascertained to have been blocked by the Orang Kayas' people who had the small party with Dr Little was taken by surprise and retreated, leaving 100 rounds of Snider ammunition as welcome booty.

Mr Maxwell informs the Governor that he is immediately proceeding to Tera. There is no news from Temerah via

Peking, and nothing can "win us down" at that quarter until the floods subside, which may involve waiting for a good while, as the monsoon has burst heavily over Palang, and the rains appear to be unusually heavy and continuous.

Private advices received in Singapore from Kuala Lumpur seem to point to the fact that the Selangor Government is adverse to allowing any information to the Press about the position of affairs at Palang to leave the State, and the same inference is to be drawn from the fact that the Selangor Government has refused to allow any news of our Penang contention

W. Lorn, however, that it is believed that the position in Pahang has been much overdrawn and that it is merely a local rising which firm vigorous measures will stop, and would have done in the first instance.

Mr. Hutchinson was to have gone to country on the 11th, alone, for Mr. Gurney was so seriously ill that he had to go into hospital.—*Singapore Free Press.*
